

SPONGEBOB SQUAREPANTS

"NOT SO REAL-TOR"

DUE TO SOME REAL ESTATE TROUBLE, SPONGEBOB HAS EXACTLY 15 HOURS TO COME UP WITH \$200,000. WHERE SHOULD HE TURN FOR HELP? TO HIS BOSS, OF COURSE -- OL' MR. KRABS.

INT. MR. KRABS'S OFFICE - EVENING

Mr. Krabs counts his MONEY sitting at his DESK. As picks the last COIN off of the pile, a single one of SpongeBob's eyes is revealed. SPONGEBOB IS THE DESK.

MR. KRABS

Ahhhhhhh!

SpongeBob bounces up. The money flies with him. Mr. Krabs goes into shock as his money soars through the air.

MR. KRABS (CONT'D)

Ugh!

ANGLE ON SPONGEBOB - He instantly SPROUTS EXTRA HANDS and catches every coin, sorted and piled on each palm.

SPONGEBOB

Boy, Mr. Krabs. You sure have a lot of money.

WIDER ON SCENE - Mr. Krabs holds out his hand in a "gimme" motion.

MR. KRABS

You're not getting any.

SpongeBob bursts into tears. The money flies into the air again. Suddenly agile, Mr. Krabs reaches for an oversized TROJAN HORSE LIKE PIGGY BANK ON WHEELS. He zips the bank around his office until each coin is inside.

MR. KRABS (CONT'D)

(to his money)

You're safe, my babies. Now you're safe.

(to SpongeBob)

Boy, I know you're in a bit of real estate trouble. So ol' Mr. Krabs is gonna teach you how to make your money grow. How much you got?

ANGLE ON SPONGEBOB - He digs into his pockets and removes a handful of coins. After a quick examination, HIS EYES TURN INTO A CASH REGISTER READING "\$1.27".

SPONGEBOB
Dollar twenty-seven.

MR. KRABS
What's the matter with you, boy?
I just paid you two days ago.

INT. SPONGEBOB'S HOUSE - FLASHBACK

CLOSE UP ON SPONGEBOB'S FEET - He is wearing a pair of STRAPPY METALLIC HIGH-HEELED SANDALS. He tips his foot to model them.

INT. MR. KRABS'S HOUSE - BACK TO SCENE

SPONGEBOB
(sheepishly)
They were on sale.

MR. KRABS
Ay. I've got two pieces of advice. First, save your money. Then, watch it grow.

SPONGEBOB
But I only have til ten o'clock tomorrow.

MR. KRABS
First, save your money. Then, watch it grow.

SPONGEBOB
I'm not sure my dollar twenty-seven will grow over 157,000 times in fifteen hours.

MR. KRABS
First, save your money. Then, watch it grow.

SPONGEBOB
Maybe if I had two twenty-seven...

MR. KRABS
Get out of my office.
